Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.
